

Accessibility Policy and Plan Sutterton Fourfields CE Primary School

This Accessibility Policy and Plan are drawn up in compliance with current legislation and requirements as specified in Schedule 10, relating to Disability, of the Equality Act 2010. School Governors are accountable for ensuring the implementation, review and reporting on progress of the Accessibility Plan over a prescribed period.

We are committed to providing an accessible environment which values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

Sutterton Fourfields CE Primary School plans, over time, to ensure the accessibility of provision for all pupils, staff and visitors to the school.

An Accessibility Plan will be drawn up to cover a three-year period.

The Accessibility Plan will contain relevant actions to:

Improve access to the physical environment of the school, adding specialist facilities as necessary. This covers reasonable adjustments to the physical environment of the school and physical aids to access education.

Increase access to the curriculum for pupils with a disability, expanding and making reasonable adjustments to the curriculum as necessary to ensure that pupils with a disability are as, equally, prepared for life as are the able-bodied pupils. This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist aids and equipment, which may assist these pupils in accessing the curriculum.

Improve and make reasonable adjustments to the delivery of written information to pupils, staff, parents and visitors with disabilities. Examples might include hand-outs, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable time frame.

As stated above, Sutterton Fourfields CE Primary School is committed to equal opportunities and inclusion. This Accessibility Policy and Plan is not a standalone document but should be considered alongside the following school policy documents:

- Equal Opportunities Policy
- Special Educational Needs & Disabilities (SEND) Policy and the Local Offer
- Safeguarding Policy
- Health & Safety policy
- Staff related policies, e.g. risk assessments, sickness and absence

This plan itself will also be used to advise and inform other school planning documents and policies.

It will be the responsibility of the whole school community to implement this scheme in a manner which promotes the inclusive ethos of our school.

Current Actions: improving access to the physical environment of the school

This element of the planning duty covers all areas of the physical environment such as external areas, buildings and fixtures and fittings.

Sutterton Fourfields CE Primary School has been in its current location since 1978. The whole school is single storey and has wheelchair access throughout, including ramps in and out of school. The front door has an automatic opening button. At present we have no wheelchair dependent pupils, parents or members of staff.

In addition the environment is continually enhanced through the school's building maintenance and redecoration programme.

Increasing access for disabled pupils to the school curriculum

Improving teaching and learning lies at the heart of the school's work. Through self-review and continuous professional development (CPD), we aim to enhance staff knowledge, skills and understanding to promote excellent teaching and learning for all children. We aim to meet every child's needs within mixed ability, inclusive classes.

It is a core value of the school that all children are enabled to participate fully in the broader life of the school. Consequently, all children have always been permitted to attend age relevant after school clubs, leisure and cultural activities and educational visits. The only exception would occur if a child had breached school rules when deprivation of club attendance may be used as a suitable short term sanction and to ensure the safety of others.
